Article 1. To hear and act upon the reports of all Town Officers and Committees of said Town.

Mr. Adam F. Diorio read the following resolution;

RESOLUTIONS ON THE DEATH OF JOHN J. BEST

WHEREAS, the voters of the Town of Milford have learned with sorrow of the death of John J. Best, and

WHEREAS, Mr. Best, a citizen of Milford for many years, a member of this body and a Registrar of Voters of long standing, he exemplified the type of citizen who contributed much to the betterment of our community, and,

WHEREAS, his was a long and honorable service, performed efficiently and conscientiously for the benefit of all of our citizens, and particularly those of us who appeared before him in quest of the right to cast our first ballot in this great Democracy,

THEREFORE BE IT RESOLVED, that this meeting offer our sincere regrets and sympathy to his family, and that the business of this meeting be suspended while the members stand in silent tribute to his memory, and

BE IT FURTHER RESOLVED, that his family be presented a copy of these resolutions and that a copy be inserted in the records of the next annual TOWN REPORT.

ADAM F. DIORIO

Mr. Joseph L. DeLuca read the following resolution:

RESOLUTIONS ON THE DEATH OF JOHN N. MORCONE

WHEREAS, the TOWN MEETING members have learned with regret and sorrow of the death of John N. Morcone, and

WHEREAS, Mr. Morcone through his attendance at these meetings and as a member of the MUNICIPAL ATHLETIC FIELD COMMITTEE, rendered a service to the TOWN in keeping with the principles of good citizenship, and

WHEREAS, in his passing the community has lost a devoted and sincere gentleman, therefore,

BE IT RESOLVED, that as a symbol of our respect that the business of this meeting be suspended and that we stand in silent tribute to his memory, and,

BE IT FURTHER RESOLVED, that a copy of these resolutions be sent to his family and that these resolutions be published in the next annual TOWN REPORT.

JOSEPH L. DeLUCA

Report of World War II Memorial Committee and Korean War Memorial Committee

These committees comprised of five town meetings each, appointed by Moderator John F. Curran, and representing the five precincts, were established by the authority of the vote of the Town Meeting Members under Article 73 of the Town Warrant at the annual Town Meeting held in March 1955.

These committees voted to combine and act as a joint committee at its first meeting held in 1955. The mission of these committees, under the article, was to investigate the possibility of erecting a monument or monuments to honor persons from Milford mustered into the Armed Forces during World War II and the Korean War.

The various members of the combined committees held several meetings and after study and consideration was given to the erection of a monument or monuments at the present time, all members present voted to recommend that these committees be continued to further investigate the possibility of erecting a memorial or memorials.

Respectfully submitted,

ANGELO J. ROBERTI

Angelo J. Roberti, World War II Comm.

E. J. BILSBURY

Ernest J. Bilsbury, Korean War Comm.

It was moved and seconded that the committee report be accepted and filed with the Town Clerk and the committee be continued for another year.

Voted: That the reports of all Town Officers and committees of said town be accepted.

Under Article 2. Mr. John L. Manuel, Chairman of the Finance Committee presented the Moderator with a Finance Committee's Report.

It was Voted: That the Town vote to receive the report of the Finance Committee and that the Moderator inquire if any voter wishes to consider any item separately. Any voter who so wishes shall ask the Moderator to remove this item from the report and when this has been done, that the Town vote to raise and appropriate the amounts recommended by the Finance Committee. The meeting shall then consider the items to which objection has been made by taking up each item individually.

Report of Highway Surveyor

Herewith I submit my report as Highway Surveyor for the year 1957.

I wish to thank the employees of this department, the Honorable Board of Selectmen, the Town Accountant, Chief of the Fire Department, and all other Town Departments, as well as the townspeople for their cooperation and good will during the past year.

Respectfully submitted,

EDWARD C. CARROLL

Highway Surveyor

Report of Planning Board

To the Honorable Board of Selectmen and
Citizens of the Town of Milford:

The Planning Board respectfully submits the following report for the year ending December 31, 1957.

Bi-monthly meetings were held throughout the year, with the exception of June, July, and August, when one meeting a month was held. There was a noted decline in the number of land developments in the Milford area in 1957; however, several small subdivisions were considered and approved.

Public hearings were held concerning re-zoning of the areas on both sides of the Cape Road (Route 140) between West Street and Water Street. Following these public hearings it was recommended by the Board that both areas be re-zoned for business purposes. Both areas were subsequently re-zoned as recommended.

We wish to thank our Town Clerk, Catherine L. Coyne for her help and cooperation throughout the year and we also wish to thank all other town officials and citizens who aided the Board during the same period.

Report of the Tree Warden and Insect Pest Control Supt.

To the Honorable Board of Selectmen:

I herewith submit my annual report on the planting, care and removal of trees, removal of brush and the insect pest control program for the year of 1957.

During the year I have cut down fourteen (14) maples, two (2) ash and one (1) butternut tree that were dead and trimmed numerous other trees.

I have also cut down and disposed of sixty six (66) elm trees with the help of a state crew who came in last January and aided me in this work for two weeks.

This year I took samples on seventy four (74) elms, fifty two (52) of which came back from the Shade Tree Laboratory as being diseased and twenty two (22) had negative reports but as these were dead they also will have to be removed. Of these seventy four (74) trees, forty nine (49) will have to be topped before they can be taken down. Since I have received the above report there are about fifteen (15) more elms that have died.

During the week of May 23, 1957, my regular spraying program was done in the outlying sections by airplane and intown by the hydraulic pump.

During the week of October 31, 1957, I planted twelve (12) pin oak, twelve (12) sweet gum, five (5) Norway maple, and five (5) sycamore trees.

Brush was removed from all the roads in the outlying sections of the Town.

I wish at this time to express my appreciation to the various other departments of the Town for their co-operation during the year.

Respectfully submitted,
MATTHEW P. ANDREANO,
Tree Warden and Insect Pest
Control Superintendent

**Report of the Board
of Sewer Commissioners**

To The Citizens of Milford:

We respectfully submit our report on operation, maintenance and new construction work of the Sewerage System of the Town for the year 1957.

Collecting System

The new cleaning and flushing equipment purchased during the past few years has made possible more extensive and efficient cleaning of sewer lines, coupled with routine flushing operations.

Extensions of the system were limited to completion of the Purchase Street, Dilla and Union Street lines started in 1956. Total length completed in Purchase Street was 1116 feet, making the total length of sewers 32.484 miles. Other requested extensions were postponed pending improvements to the treatment plant scheduled for 1958

construction, and the plant will be in condition to handle the sewage from extensions which may be constructed during 1958. Sixty-two (62) additional services were connected during the year, with a present total of 2561.

Pumping Stations

Expansion of the system beyond the area which can be served by gravity flow into the present system will result in increased district pumping. The new lift stations serving Dilla Street and the Purchase Street extensions were put into service this year, utilizing ejector equipment removed from the Medway Road station when increased pumping capacity was installed on that station in 1956. The stations are designed so that the equipment in the Purchase Street station can be installed in the Dilla Street station to double its capacity if required in the future, while provisions are made in the Purchase Street station for installation of higher capacity pumps when required by extensions in this area.

Treatment Plant

Improvements at the treatment plant were planned for construction during 1957, but application for Federal Grant under the Pollution Control Act was instituted by the Board, and while the more extensive redesign and processing of the application for funds has delayed construction, the Board has now received notice that the grant has been approved for approximately \$105,000, and construction work will proceed during 1958. Major equipment items have been purchased and delivered to the site so that no serious equipment delays are anticipated. Final construction plans are being prepared for submission to the State Health Department for approval prior to construction. We want to thank the Police, Fire and Highway Dept., and all other Departments for their assistance to our department.

Respectfully submitted,

GUIDO SABATINELLI,
ROBERT M. BICKFORD,
JOSEPH L. De LUCA

Board of Sewer Commissioners,

GUIDO SABATINELLI, Chairman

ROBERT BICKFORD

JOSEPH De LUCA

Report of the Chief of Police

The Honorable Board of Selectmen and Citizens of Milford

Sgt. John J. McGrath, Director of the Auxiliary Police Unit has continued the fine program for the year 1957. They are a most essential unit in an emergency for without their assistance we in the Police Department would be sorely taxed.

Patrolmen Antonio Di Girolamo and Ernest M. Panorese were graduated from the Police Officers Training School, sponsored by the Massachusetts Police Chief's Association and connected with the State Police Training School at Framingham, Mass. Since the school has been operating we have had twelve patrolmen graduated, from our total of sixteen patrolmen. We commend the School and hope to continue our policy of sending them to the school.

Sgt. A. Raymond Cross attended a Conference at the Judge Baker Guidance Center where there has been established a Juvenile Training Institute.

Officer Charles F. McGowan attended the F. B. I. School on Police Administration and Operations held in Boston, Mass.

May we thank your Honorable Board and all Town Departments for the cooperation received during the past year.

Respectfully submitted,

WILLIAM F. FITZPATRICK,
Chief of Police

Report of Park Commissioners

To the Honorable Board of Selectmen
and Citizens of Milford:

We hereby submit our annual report for 1957 with financial report appended.

We take this opportunity of thanking Madame Draper Boncompagni, in behalf of the townspeople for her generous gift to the Town for the care of Draper Park.

Calzone Park was landscaped and graded repairing the damage still there from 1955 flood.

The Playgrounds had another successful season under the supervision of Mr. Benjamin F. Consoletti ending with their annual Field Day and picnic.

We wish to thank all the various departments for their help and cooperation throughout the year.

Respectfully submitted,

PETER S. FARESE,
ANGELO FERRARIO,
ROBERT CATUSI

Report of the Board of Health

To the Honorable Board of Selectmen and the Citizens of the Town of Milford

Dr. Nicholas J. Capece was re-elected Chairman of the Board for the year at the organization meeting on March 6, 1957. Other members of the Board are Frank Calzone and Harris Tredeau

The appointments were as follows: Clerk and Agent, Benjamin N. Colabello; Nurse, Alice Fitzpatrick; Physician, Eugene E. Allen; Dentist, Dr. Joseph C. MacLellan; Plumbing Inspector; Charles J. Ferrante; and, John F. Power, additional Plumbing Inspector; Burial Agent, Oscar Ayotte; Meat and Slaughtering Inspector, Philip Roy;

Emergency Meat and Slaughtering Inspector, Alexander Iannitelli; Person to Receive and Report Contagious Diseases, Benjamin N. Colabello.

Contract for the collection of garbage was awarded to James Ferrucci for one year for \$4,000.00.

Under the new regulations regarding collection of Garbage, beginning January 1, 1954 the collected material must be cooked before feeding to hogs. We are complying with such regulation, but, find that the garbage collection costs have risen.

The Rodent control program at the town dump is being carried out so that an expert exterminator conducting the work is producing satisfactory results.

The Board of Health is working on the feasibility and advisability of fluoridation of the local water supply as a means of helping reduce tooth decay. An article will be inserted in the Warrant to determine public sentiment.

In conjunction with the Mass. Public Health Dept. the Salk Vaccine Program was instituted and injections were given to first and second grades. Over 900 injections were administered.

Our Town had no Polio Cases reported in 1957.

In the later part of the years 1957 the Town was affected by some form of influenza. Fortunately there were no deaths. We are happy to collaborate with the State in its so called Asiatic Flu Program.

The Rest Rooms of Manufacturing Plants were duly inspected in 1957. These inspections are made twice each year.

The Agent of the Board of Health, Benjamin N. Colabello has attended Lectures at the Day Center in Worcester, Mass. These Lectures were given for the purpose of Licensing Day Care Centers. These were held one afternoon a week for six weeks October 15, 1957 thru November 19, 1957.

There is a Board of Health Organizational Meeting held monthly in various parts of the State, which Mr. Ben-

jamin N. Colabello, agent of Local Board of Health, is a member and is attending these meetings. These meetings are to discuss various health problems which may come up from time to time.

Special physical examinations are given to the students by the Board of Health physician, Eugene E. Allen, M.D. Notices of defects found are sent home to parents or guardians.

The Massachusetts Vision Test is given and the Audiometer is used for the hearing tests. Follow-up work is done to be sure the corrections have been made.

Students are weighed and measured during the school year, and are inspected for evidences of disease and for cleanliness.

Dental clinic is held each week-day morning, for all the schools. Joseph MacLellan, D.M.D. is the attending dentist.

Any child with specialized health problems are referred to the Worcester or Boston clinics.

Vaccination clinic was held at the Milford High School,

June 6 and 7. Eugene E. Allen, attending physician. Total vaccinated, 127.

Antegen clinics were held at the Milford High School, Feb. 15, Mar. 15, and April 12, for babies and younger children. Booster doses given, 130.

Those receiving one dose, 38; two doses, 18; three doses, 19.

A double antigen clinic was held for the students in the sixth grade, and the High School juniors. A booster dose was given to all who requested it.

Polio clinics were held each morning at the Milford High School for the third polio inoculation. Approximately 375 to 400 school children, and pre-school children were immunized each morning, until all were done who had requested it. Eugene Allen, M. D. was the attending physician.

Town Counsel's Report

To the Honorable Board of Selectmen:
 Gentlemen:

In accordance with Article 3, Section 5, of the By-Laws of the Town of Milford, I have performed the duties of the office of Town Counsel "by giving legal advice to the various town officials and town boards on such questions connected with their duties as may by said officials and boards be referred to (me)."

In addition to these duties I have disposed of 7 personal injury and 2 property damage claims, 2 Planning Board suits, all of which were turned over to me by my predecessor. There are at present 6 claims against the town — 3 for personal injuries and 3 for property damage. Four of these are entered as suits in the Superior Court at Worcester.

During my term of office I have appeared, at your

request, before the Public Utilities Commission to oppose an increase in the water rates. I have also brought suit on behalf of the town for collection of unpaid real estate taxes, performed searches of real estate titles and many other legal chores for officials and boards. In accomplishing this I have had to travel to Boston and Worcester on many occasions. Also in the performance of my duties I have had to be in regular attendance at the Selectmen's meetings.

I could not in good conscience close this report by failing to recommend that sufficient funds be raised in the coming Town Meeting to revise and recodify the By-Laws and Regulations of all the Town Boards including the By-Laws of the Zoning Board and the Zoning Map. These are all vital documents dealing with the rules governing the awarding of contracts by town officials, town meeting regulations, traffic, Sewer and Health regulations and the ones relating to all real estate in this town. In some cases these regulations have not been brought up to date for as much as 17 years and are sadly in need of re-codification. In other cases appropriate revisions should be drafted in order to satisfy present day requirements.

Respectfully submitted,

ANTHONY N. COMPAGNONE
Town Counsel

State Auditor's Report

Mr. Herman B. Dine
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir :

As directed by you, I have made an audit of the books and accounts of the town of Milford for the period from July 20, 1955, the date of the previous examination, to November 30, 1956, and submit the following report thereon:

The records of financial transactions of the several departments receiving or disbursing money for the town or committing bills for collection were examined, checked, and verified by comparison with the reports and records of the town accountant.

The town accountant's ledger was analyzed, the appropriations voted by the town as shown by the records of the town clerk and the transfers from the reserve fund as authorized by the finance committee were checked with the appropriation accounts, and a balance sheet, showing the financial condition of the town on November 30, 1956, was prepared and is appended to this report.

The books and accounts of the town treasurer were examined and checked in detail. The addition of the cash book was verified, the receipts, as recorded, were analyzed and checked with the records of the several departments collecting money for the town and with other sources from which money was paid into the town treasury, while the payments were checked with the warrants of the selectmen authorizing the treasurer to disburse town funds.

The cash balance on November 30, 1956 was proved by reconciliation of the bank balances with statements furnished by the banks in which town funds are deposited and by actual count of the cash in the office.

The tax title deeds on hand were examined and listed. The amounts transferred from the various tax levies to the tax title account were proved, and the tax titles, as listed, were verified by comparison with the records at the Registry of Deeds.

The payments on accounts of maturing debt and interest were verified by comparison with the amounts falling due and with the cancelled securities and coupons on file.

The savings bank books and securities representing the investment of the trust, investment, and retirement funds in the custody of the treasurer were examined and listed. The income was proved, the withdrawals were verified, and all transactions were verified by comparison with the town accountant's books, and, in the case of the retirement fund, with the records of the retirement board.

The books and accounts of the tax collector were examined and checked in detail. The tax, excise, and sewer assessment accounts outstanding at the time of the previous audit, as well as all subsequent commitment lists, were examined and reconciled with the warrants of the assessors and sewer commissioners committing the accounts for collection.

The addition of the collector's cash books was verified; the payments to the treasurer by the collector were checked with the books of the treasurer; the abatements were compared with the assessors' records of abatements

granted; and the outstanding accounts were listed and reconciled with the controlling ledger accounts.

The outstanding accounts were verified by sending notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies it appears that the accounts, as listed, were correct.

The records of licenses and permits issued by the selectmen and the town clerk were examined and checked the payments to the State and the town being verified.

The surety bonds of the officials required by law to furnish them were examined and found to be in proper form.

In addition to the departments mentioned, the books and accounts of the sealer of weights and measures, as well as of the police, fire, health, highway, public welfare, veterans' services, school, library, parks and recreation, and cemetery departments, were examined and checked, the payments to the treasurer being verified.

Appended to this report, in addition to the balance sheet, are tables showing reconciliations of the treasurer's and the tax collector's cash, summaries of the tax, excise, sewer assessment, tax title, and departmental accounts, as well as schedules showing the condition and transactions of the trust, investment, and retirement funds.

On behalf of my assistants and for myself, I wish to express appreciation for the cooperation extended by the several town officials while engaged in making the audit.

Respectfully submitted,

WILLIAM SCHWARTZ

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE SCHOOL COMMITTEE AND THE CITIZENS OF THE TOWN OF MILFORD

Herewith is respectfully submitted the seventy-ninth annual report of the School Department and my eleventh as Superintendent of Schools.

PROGRAM

This year, I am happy to report that we are approaching the time when we shall no longer curtail our program, but on the contrary, we will soon be able to restore to our children some of the offerings which have been restricted.

The approval of the new elementary school by the townspeople and its eventual construction will enable us to give back to the children certain facilities, such as assembly, library, cafeteria, physical education and health spaces to a more desirable extent than in the past few years.

Temporarily, the children of the Claflin School section are somewhat handicapped on account of the double platoon system which resulted following the fire at the Claflin School. However, this condition will be rectified when the Claflin School is repaired, renovated or rebuilt.

The Adult Education programs are thriving in our system, and it is pleasing to report that the Equivalency Certificate Program was singled out for special commendation and praise by officials of the State Department of Education. We may be justly proud of this outstanding of-

fering which is being made as a pilot project in our town.

In all the various aspects of our program, the members of the School Committee have been extremely cooperative as we strive for perfection, consistent with existing facilities, in the educational offerings to our pupils.

Throughout the year, in an effort to provide the best, the School Committee has been meeting with individual administrators, supervisors and leaders in an effort to improve our program. These meetings have been very fruitful and as they continue, I am certain that our offerings will be improved.

PLANT

Perhaps the major item to be mentioned in this consideration is the recent and decisive sanction of the townspeople given to authorities to construct a new elementary school building on the Town Park.

This facility will enable us to remove from the High School building and the Stacy School building numerous elementary grade children who have been housed in crowded rooms and in an environment not conducive to a wholesome modern elementary school program.

This new building will also enable us to abandon the Park School building, constructed in 1864 and definitely antiquated and outmoded.

Construction of the new school will also serve to release space to house the increasing number of high school age pupils. Every year, there is an increasing enrollment in grades 9, 10, 11 and 12, and it now appears that we will have the space needed for these pupils for a good many years to come.

The recent fire at the Claflin School has posed a problem for your School Committee and your administrator.

After considerable deliberation and study, it is my opinion that the building should be renovated and made available to the children of the area in pre-primary, grade one, two and three.

The money received by the Town from the insurance

companies covering the loss could be used to repair and renovate this school building.

During the year 1957, certain major repairs were accomplished as follows:

1. The interior of the High School building was completely repainted and redecorated.
2. The windows of the Stacy School were caulked.
3. The interior of the Spruce Street School was completely redecorated.
4. The yard at the Purchase Street School was graded and landscaped.
5. Trees were felled in the yard of the Chapin School.
6. Innumerable minor repairs were made to practically all of our school buildings.

As for the coming year, there are many projects which the School Committee and I will recommend. Chief among these are:

1. New lighting for the High School and Plains School buildings.
3. Exterior painting of several of our smaller school buildings.

As a long range policy, I recommend that we rehabilitate those buildings which are worthy of keeping and for which the expenditure of repair money is justifiable.

PERSONNEL

In general, we have been fortunate in obtaining well qualified personnel to staff our department during the past year. However, this matter is becoming increasingly more difficult, especially in certain areas, such as the science and mathematics fields.

In my opinion, we should strive to establish and maintain a salary schedule which will guarantee us the type of personnel who will serve our children in the highest manner.

I congratulate the members of the School Committee for their profound interest in acquiring and keeping well qualified, competent and devoted teachers on our staff in the Milford schools.

During 1957, the following changes in personnel were effected:

NEW APPOINTMENTS:

Mrs. Lucy D. Bibbo, as teacher of grade 2, Spruce Street School.

Miss Carol E. BonTempo, as teacher of grade 2, Oliver Street School.

Mrs. Concetta D. Brucato, as teacher of grade 3, Park School.

Mrs. Phyllis P. Lombardi, as teacher of grade 6, Plains School.

Mr. Irwin B. Macklow, as teacher of grade 6, South Grammar School.

Miss Madeline A. Pacella, as teacher of grade 5, High School.

Mrs. Angelina Penler, as teacher of grade 4, South Grammar School.

Mrs. Antanet M. Shaw, as teacher of foreign language, Milford High School.

Annual Report of the Board of Selectmen

On March 4, 1957 the voters of Milford elected John P. Pyne, Anthony E. Allegrezza and Marco A. Balzarini as Selectmen. On the day following this election your new Board chose John P. Pyne as its Chairman. At this meeting the Board instituted the practice of allowing representatives of the press and the public at large to attend all its meetings consonant with the Boards' desire to keep the public fully informed on all action taken. Meetings were held thereafter on Mondays and informal meetings on Saturday mornings.

1957 was a year of progress for the Town of Milford. We are pleased to report that the Bettinger Corporation, manufacturers of ceramic-coated metal products for industry, has decided to consolidate its production capacities in Milford. This company will employ a force of about 200 in a plant now in construction at the Milford Industrial Park valued in excess of \$600,000. This company deals with relatively new products in the architectural building field and according to its president "the company expects to grow here and to make Milford our home for our international firm."

Your Selectmen co-operated in every way to assure the location of this company in Milford. The Board wishes to congratulate all members of the Milford Industrial Commission for their efforts in securing this industry for Milford and all others — The Chamber of Commerce, The Planning Board, The Milford Daily News for their favorable publicity and comment, the local banks for their financial assistance—for all recognize that a distinct public service was rendered to the Town. We are also glad to report that the New England Telephone company chose Milford as its location for its \$313,000 dial building. The location is on Water Street where this company is also constructing an office building. We feel that the decision

by this company to expand here is indicative of better things for Milford.

Further progress and expansion in the business community, is taking place on the Cape Road between Water and West Streets. Your Board feels that this expansion is the logical result of the automobile age and the desire of merchants to provide parking facilities for their customers. In order to alleviate the parking congestion on the Main Street your Board endorsed the action of the Parking Authority in recommending the construction of a 55 car parking facility between Exchange and Fayette Streets. This action received approval at a special town meeting held on September 17th when the Town Meeting members appropriated by bond issue the sum of \$70,000 for this facility. Your Board will do everything possible to implement the mandate of this Town Meeting.

The traffic problem on Main Street continues to play a prominent part in the day-to-day chores of your Board. We are especially aware of the traffic-choked condition of your Main Street during the so-called "rush hours." We shall continue to probe and to take action, even if by the trial-and-error method, in an attempt to alleviate this problem.

One of the greater responsibilities facing your Board in the coming year is the execution of the flood control program enacted by the General Court and adopted by the annual Town Meeting of 1957. Your Board has held several meetings with our Legislative Contingent, with the Selectmen of Bellingham and Hopedale, with high officials of the Department of Public Works of the Commonwealth of Massachusetts, and with other interested officials of the Town of Milford. At our last such meeting we were told by The Chief Engineer of the Department of Waterways that further extensive surveys were being made by engineers, that out of these surveys would come the specifications to divert the Godfrey Brook and to reconstruct the Charles River and other smaller Tributaries from Mellen Street in Hopedale to Louisa Lake. Your Board has already asked the Town of Hopedale to take the legal steps which precede a project of this kind. By this time next year we hope

to report that the flood Control project in Milford is near completion.

During the year the exterior of the Town Hall was recalked, repaired where necessary, repainted, the eagle removed and replaced by one made of bronze, the clock repaired, and the belfry and tower repaired and gold-leaved. The old eagle which stood over Milford since 1854 as a symbol of strength and tenacity has been repaired and placed as a sort of museum-piece just above the stage in the Hall. In its present condition this typical New England meeting place, done in the pure Roman style of Architecture, once again causes many tourists to stop and gaze.

The contract for the work on the Town Hall was awarded to the lowest bidder as were all other contracts awarded by your Board during its year of administration.

At the Special Town Meeting of September 17th the membership adopted the proposal of the Selectmen for the establishment of a Wage Study Board. The establishment of this Board had the widespread approval of the heads of departments, the Finance Committee, and, we are told, the town employees. This Board is now in the process of gathering the statistics needed to decide whether or not our town employees are receiving fair and just wages for their labor. We await the findings of this Board as a possible solution to the annual question of salaries.

The progress and success of the Town still depends to a great extent on the willingness of its public-minded citizens to give their time and energies to the various and special committees. We are reminded that in Plato's Republic the worst punishment that could be meted out to the wise man who refused to take part in his civil government was to be ruled by the unwise. During our year of administration we were called upon to appoint members of many committees — The Industrial Committee, Committee to Study the Department of Public Works, The Finance Committee, the Parking Authority — to mention only a few. These are examples of committees which worked hard and accomplished a great deal toward making Milford a better place in which to live. We are grateful to

the following citizens who accepted our call to serve for without their help our task would have been impossible: Charles A. Miller, Donald F. Phillips, Joseph Rosenfeld, Henry F. Bodio, Lawrence DelVecchio, Sr., Elmer M. Hollis, Atty. William F. McAvoy, Michael J. DeCesare, Bernard K. Drew, Lawrence S. Jaques, Joseph J. Grillo, J. Russell Brown, Paul C. Canali, Achille E. Diotalevi, Joseph R. Melpignano, Matthew N. Niro, George L. Sprague, Harold B. Faulkner, Charles W. Calcagni, John J. Casey, Emilio A. Pighetti, Dr. Harry Helfand, Arthur E. LeBlanc, Leo A. Papelian, Antonio Gonsalves, Veto A. Anesta, Joseph L. Von Flatern, Michael Morganelli, John T. O'Brien, Renaldo A. Consoletti, Dr. Frank J. Moschilli, Harry Klein, Daniel F. Doherty and Joseph D. Blascio.

In closing we wish to extend our thanks to all — citizen and official — who assisted us in the administration of the affairs of the Office of Selectmen.

JOHN P. PYNE, Chairman

ANTHONY E. ALLEGREZZA

MARCO A. BALZARINI

Town Accountant's Report

To the Honorable Board of Selectmen:

Herewith I submit my annual report of the financial transactions of the Town of Milford for the year ending December 31, 1957.

Included is a detailed report of the Receipts from all sources of Income, a detailed report of the Expenditures of each Department and Account, a Recapitulation and Estimate table showing the Appropriation, Receipts, and Transfers, Expenditures and Balance—December 31, 1957, and the estimated cost to run various departments as submitted by them for the coming year.

I wish to thank all the Departments for their cooperation during the past year.

Respectfully submitted
MICHAEL J. HANNIGAN
Town Accountant
